**Our prayers may be awkward. Our attempts may be feeble. But since the power of prayer is in the One Who hears it and not in the one who says it, our prayers do make a difference.**

—Max Lucado

**Prayer should not be regarded as a duty which must be performed, but rather as a privilege to be enjoyed, a rare delight that is always revealing some new beauty.**

—E.M. Bounds

**And this is the confidence that we have toward Him that if we ask anything according to His will He hears us.**
