Prayer— The essence of prayer is the act of God working in us raising us to Himself.

Prayer should not be regarded as a duty which must be performed, but rather as a privilege to be enjoyed, a rare delight that is always revealing some new beauty.

—E.M. Bounds

And this is the confidence that we have toward Him that if we ask anything according to His will He hears us.

—1 John 5:14

Please lift our Good News Clubs
